Dear Mr. Shane,

I am in receipt of the ethics complaint you submitted to Chair of the Board Fred Dorwart and subsequently sent to Acting Provost Tracy Manly. I have reviewed all of the materials submitted with the complaint. You have previously filed complaints with the TU EthicsPoint system regarding the same set of events, which have been previously investigated and no misconduct was found. The materials submitted in your latest complaint do not change the University's understanding of the matter. This will not be investigated again.

If you have any concerns regarding the adequacy of any accommodations currently being provided for your son, I encourage you to contact Matt Warren, matt-warren@utulsa.edu, TU's Chief Compliance Officer.

Very truly yours,
Elizabeth Bullock
